

**Attention:**

**Kingswap Senior Trip**

## **Juniors, Sophomores, & Freshmen**

You are all looking forward to your senior year and all of the fun activities that lead up to graduation. These activities can cost a great deal of money. In fact, the price of the Senior Trip to Florida will increase by **approximately 5%** every year. The estimated cost for the trip for the **class of 2012** will be **\$1,075**.

That is why your class advisors are accepting senior trip deposits. Making an early deposit is a great way to ease the cost of your senior year on you and your parents! All deposits are fully refundable until December of your senior year and those who make early deposits will receive a free t-shirt from World Class Vacations.

Return the slip at the bottom of this page along with a check for **\$200 or more** made payable to KRHS. Please write your name on the line and circle your year of graduation.
